MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Student Loan Repayment Program (SLRP)

1. The Army Reserve SLRP is authorized for selected Cadets. Cadets are eligible for the SLRP if they have an enlistment contract with the SLRP incentive and completed one or more years of that contract prior to entry into the SROTC program. The Cadet may not be a scholarship recipient.

2. The SLRP is an incentive that is offered upon enlistment. If the SLRP is not stipulated in the contract, the Soldier will not be eligible, but, if the Soldier contracted with a SLRP incentive and performs a year or more of service in an enlisted status prior to contracting SROTC, they are eligible to continue to use the SLRP for all loans incurred to the point of commissioning. Any loans incurred following commissioning will not be eligible for repayment. SLRP payments for loans incurred prior to commissioning will continue to be made following commissioning.

3. The AR G-1 is reviewing the option of pursuing SLRP for officers. Currently, an officer SLRP is not authorized.

4. Point of contact is the undersigned and can be contacted at either nancy.davis@usacc.army.mil or 757-788-2782.
